I don't want my child to stay overnight

You can collect your child at any point throughout the event as long as you sign out with a member of staff, however a large variety of activities take place in the evening / overnight so recommend they stay for the full experience.

All our staff hold an enhanced DBS check and background check with safeguarding and advanced first aid trained staff available at all times.

My child has a medical condition

Please make sure to note this in the required medical form. Staff will be made aware of the problem and there will be a dedicated First Aider on site at all times.

We offer a wide variety of food options, however in the circumstance that there is nothing for them we'll try our best to source other food. You're welcome to bring your own food.

Will my child get any sleep?

While we cannot force your child to sleep if they choose not to, we do encourage it. Comfortable quiet sleeping areas will be provided.

How do the sleeping areas work?

U18 Sleeping areas will be completely separated from adult areas and gender separated. These areas will be managed by members of our safeguarding team and overnight security.
